Home study, correspondence and online courses do not fulfill the Eligibility requirements that the student actively attend classes. The Company maintains its right to investigate Eligibility or student status and attendance records to verify that the policy Eligibility requirements have been met. If the Company discovers the Eligibility requirements have not been met, its only obligation is to refund premium.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse and dependent children under 26 years of age.

Dependent Eligibility expires concurrently with that of the Insured student.

U.S. citizens are not eligible for coverage as a student or a Dependent.

## Effective and Termination Dates

---

The Master Policy becomes effective at 12:01 a.m., July 1, 2017. The individual student's coverage becomes effective on the first day of the period for which premium is paid or the date the enrollment form and full premium are received by the Company (or its authorized representative), whichever is later. The Master Policy terminates at 11:59 p.m., September 30, 2018. Coverage terminates on that date or at the end of the period through which premium is paid, whichever is earlier. Twelve (12) months is the maximum time coverage can be effective under any policy year for any Insured person. Dependent coverage will not be effective prior to that of the Insured student or extend beyond that of the Insured student.

Refunds of premiums are allowed only upon entry into the armed forces.

The Policy is a Non-Renewable One Year Term Policy.

## Choice of Plan

---

Each eligible student has a choice of one of four Student Cover Injury and Sickness Plans, Basic (203119), Plus (203120), Preferred (203121), and Intercollegiate Sports Plus (203122). Each plan provides eligible students with a choice of two Deductible options. This brochure provides information on the Student Cover Basic \$100/\$500 Deductible Option.

Under the Basic Plan, eligible students have a choice of one of two Deductible options:

Option 91 - \$100 Deductible for Preferred Providers and \$500 Deductible for Out-of-Network Providers (2017-203119-91),  
or

Option 93 - \$500 Deductible for Preferred Providers and \$750 Deductible for Out-of-Network Providers (2017-203119-93),  
which is outlined in a separate brochure.

Please be aware that if you choose to upgrade coverage in any subsequent policy year the benefit levels above your previous plan's limits will be subject to a new Pre-Existing Condition exclusion and waiting period. You will not be subject to a new Pre-Existing Condition exclusion on the lower benefits levels.

Please review the benefits and make your selection carefully. You cannot upgrade coverage after the initial purchase of the plan for the policy year.

Note: A Pre-Existing Condition exclusion applies to the Essential and Basic Plans, but does not apply to the Plus, Preferred or Intercollegiate Sports Plus Plans.

The Plus Plan (2017-203120-91/93), Preferred Plan (2017-203121-91/93) and Intercollegiate Sports Plus Plan (2017-203122-91/93) are outlined in separate brochures.

## **Extension of Benefits after Termination**

---

The coverage provided under the Policy ceases on the Termination Date. However, if an Insured is Hospital Confined on the Termination Date from a covered Injury or Sickness for which benefits were paid before the Termination Date, Covered Medical Expenses for such Injury or Sickness will continue to be paid as long as the condition continues but not to exceed 90 days after the Termination Date.

The total payments made in respect of the Insured for such condition both before and after the Termination Date will never exceed the Maximum Benefit.

After this "Extension of Benefits" provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.

## **Pre-Admission Notification**

---

This policy only provides payment for services, procedures and supplies which are a Medical Necessity. No benefits will be paid for expenses which are determined not to be a Medical Necessity, including any or all days of Inpatient confinement.

**NEWBORN INFANT** means any child born of an Insured while that person is insured under this policy. Newborn Infants will be covered under the policy for the first 31 days after birth. Coverage for such a child will be for Injury or Sickness, including medically diagnosed congenital defects, birth abnormalities, prematurity and nursery care; benefits will be the same as for the Insured Person who is the child's parent.

The Insured will have the right to continue such coverage for the child beyond the first 31 days. To continue the coverage the Insured must, within the 31 days after the child's birth: 1) apply to us; and 2) pay the required additional premium, if any, for the continued coverage. If the Insured does not use this right as stated here, all coverage as to that child will terminate at the end of the first 31 days after the child's birth.

**PRE-EXISTING CONDITION** means: 1) the existence of symptoms which would cause an ordinarily prudent person to seek diagnosis, care or treatment within the 6 months immediately prior to the Insured's Effective Date under the policy; or, 2) any condition which is diagnosed, treated or recommended for treatment within the 6 months immediately prior to the Insured's Effective Date under the policy.

**SICKNESS** means sickness or disease of the Insured Person which causes loss while the Insured Person is covered under this policy. All related conditions and recurrent symptoms of the same or a similar condition will be considered one sickness. Covered Medical Expenses incurred as a result of an Injury that occurred prior to this policy's Effective Date will be considered a sickness under this policy.

**USUAL AND CUSTOMARY CHARGES** means the maximum amount the Policy is obligated to pay for services. Except as otherwise required under state or federal regulations, usual and customary charges will be the lowest of:

1. The billed charge for the services.
2. An amount determined using current publicly-available data which is usual and customary when compared with the charges made for a) similar services and supplies and b) to persons having similar medical conditions in the geographic area where service is rendered.
3. An amount determined using current publicly-available data reflecting the costs for facilities providing the same or similar services, adjusted for geographical difference where applicable, plus a margin factor.

The Company uses data from FAIR Health, Inc. and/or Data iSight to determine Usual and Customary Charges. No payment will be made under the Policy for any expenses incurred which in the judgment of the Company are in excess of Usual and Customary Charges.
